The provisions in the estimate are not
sufficient (foundations, damp proof course,
bricks in lime mortar under roof and at the
sides of doors and windows, scuttles insufficient,
not provision for painting and varnishing, of
woodwork and joinery etc)

(2) Rates are lower than PWD Rates for Mysore
(to be checked up in detail

5) The provision in the estimate is for 17 and 1/2 rafters. It would be preferable to provide for brick in curve masonry for one foot round about door frame & window frame and also below the wall plates. It would also be desirable to adopt 1 1/8" ^{thickness} bricks for the ^{outside} walls for safety. On both these accounts, a sum of Rs 100/- per unit will be needed.

6) The rates adopted are lower than the P W rates. The same however has been retained, on the presumption that the work will be executed on the basis of tenders, when those rates only are applicable.

7) The amount of the estimate was sanctioned will be Rs 15000/-
